

Spelman College®

A Choice to Change the World

June 22, 2018

Dear First-Year Students,

Your first year at Spelman College offers numerous opportunities for intellectual growth and exploration. In recognition of Spelman as a special place for rigorous academic pursuits, the U.S. Department of Education awarded a multimillion dollar First in the World Grant for faculty to examine factors that contribute to student success.

We ask you to view the video shown in the link below. After viewing, go to the New Student Orientation site, click on the link titled *FITW Student Consent forms*. You must click in the space to indicate your agreement to participate in the study and sign the form. Regardless of your decision, you need to sign the consent forms.

Thanks so much. We look forward to seeing you in a few weeks.

Sincerely,

First in the World Leadership Team
